Create the right impression

42" PDP Public Display

SONY

- High picture quality – very high brightness (1500 cd/m²) combines with 10000:1 contrast ratio to deliver incredibly bright, clear images.
- Integrated high performance scan converter – for smooth playback of video signals (up to HD format) and PC (up to UXGA resolution).
- Includes built-in audio amplifier to drive optional loudspeakers.
- Remote management – via RS232C and Control-S control ports.
- Long life – durable design for extended product lifetime.
- Screen burn protection – screen saver, picture orbiting, auto-dimmer and picture inversion help prevent burn-in.
